Product Profile

Pets Relief Spray

Our Pets Relief Spray features a unique proprietary formula, Réstall™, combined with graphene water and a blend of active ingredients. It is designed to prevent and quickly relieve skin inflammation, allergies, and other skin conditions. This spray hydrates while reinforcing your pet's skin barrier, making it ideal for wound care, inflamed, and dry skin.

KEY BENEFITS:

- A curated blend of 5 plant extracts to provide anti-microbial properties, antioxidants, reduce odor, anti-inflammation and aids in minor wound recovery of skin.
- Graphene water : Antioxidant, anti-inflammation and enhances efficacy of active ingredients by up to 20%.
- A pre and postbiotic complex increases bacterial biodiversity to rebalance the microflora.
- Hydrolysed Cottonseed Protein - Reduces Trans-epidermal Water Loss and skin damage.

DIRECTIONS

1. **Clean the Area:** Gently clean the affected skin area with a damp cloth.
2. **Spray:** Hold the bottle 6-8 inches away from the affected area and spray an even layer over the skin.
3. **Allow to Air Dry:** Let the skin absorb the solution naturally. Do not wipe off.
4. **Repeat:** Apply 2-3 times daily or as needed until the skin condition improves.

Caution: For external use only. Avoid contact with eyes. Discontinue use if irritation occurs and consult a veterinarian. Spray to soothe irritated or inflamed areas. Let it absorb and spray again whenever necessary. Suitable for all pets.
